

ACOORI

BRITAIN'S ARTISANAL FRAGRANCES

Please see below our Classification, Labelling and Packaging (CLP) information for each of our blends.

We take pride in the fact that our blends are crafted exclusively from 100% plant-based carrier oils and 100% pure essential oils, ensuring a product of the highest quality. However, we believe in the importance of informed usage. For complete transparency and to ensure your safety, we encourage you to thoroughly review the detailed information we have provided for each blend in our range.

We work with a reputable British CLP author who is a member of the International Fragrance Association (IFRA) UK who has very carefully considered our blends and generated all the safety information in line with EU and UK regulations.
